Daly City Gives More Than \$3,000

Daly City was among the first communities of San Mateo county to top its quota for the 1944 War Chest drive. Mrs. Clara E. Lane, chairman, announces that by noon, Saturday, October 28, \$3,034.53 had been deposited for this community. Daly City's quota had been set at \$2,950.

In addition, nearly \$300 has been credited to Daly City at the county headquarters from various appropriations.

Volunteer workers here completed their calls, yesterday, November 1. Late donations may be mailed directly to Mrs. Lane at 634 Hanover street.

Mrs. Lane praised the volunteers who made possible Daly City's outstanding record. Sub-chairmen who worked under her supervision were the division leaders, Mrs. Cecelia Hale, Mrs. Hazel Marsh, and Mrs. Mary Crane, and the business district canvassers, Mrs. Marce Trier, Mrs. Madeleine Fellows, Mrs. Lydia Lorenzo, and John Degliantoni.

Colma War Chest

Colma district contributions to the San Mateo County War Chest now total \$1,402.50, approximately 66 2-3 per cent of the area's quota. As contributions continue to come in, the Colma War Chest committee has decided to extend the drive until November 11. After that date, donations will have to be sent to the War Chest headquarters in Burlingame.

Meantime, Mrs. Alma Garibaldi, chairman, Mrs. M. Pauline Brown, co-chairman, and John Ferrari, Colma branch, Bank of America, will be glad to accept contributions.

The committee said, "Colma can achieve its quota of \$2,150 if each citizen will contribute in proportion to his or her ability to do so. Colma's workers have given generously of time and money but it has been impossible to reach all homes and ranches in the district. For that reason, if you have not yet contributed you are urged to mail your donation to Mrs. Brown, Box 1653, Colma, California, or leave it with Ferrari at the bank. Give as generously as you can afford as the need is great."

Mrs. Corinna Bermuda, chairman, and Mrs. Eva J. Tucker have completed their house-to-house canvass of Garden Village and feel satisfied with the results, the committee said. Every home was contacted and the sum of \$243.50 was turned in from Garden Village.

Girls who have been a great help in the Colma drive and who have earned many units toward their community service awards at Jefferson Union high school because of their efforts are Gloria Scramaglia, Barbara Callen, Angelina Micheletti, Cecelia Antonelli, Doris Pardini, and Anna Griffin.

Hundreds Attend Hallowe'en Party

More than 400 teen-agers attended the Hallowe'en party which was an opener for the new youth center at No. 5 firehouse, Oliver and Bellevue, Tuesday evening, October 31. Many more had to be turned away because the hall was too jam-packed. Mrs. Maisie Boyle and Mrs. Anne Eason, Daly City Recreation committee, had made arrangements for the opening of the center.

The Indians of Rhythm from Jefferson Union high school, directed by Howard Miguel, played for dancing. The decorations featured black cats and stars against a silver background. Those attending were in costume.

The new center will be open every Friday evening, starting November 10, but hereafter the

Heads County Board

R. L. Crane Jr., superintendent of the Jefferson School district, has been elected president of the San Mateo County Board of Education.

Serving with him on this board, whose main duties are curriculum building, certification of teachers, selection of textbooks, standardization of supplies for elementary schools, and serving as a court of last resort on certain legal aspects of education, are Lester Henderson, superintendent of Burlingame Elementary schools; Andrew Spinas, superintendent of Redwood Elementary schools; Henry C. Hall, supervisor of attendance for San Mateo county. Miss Pansy Jewett Abbott is secretary.

The board's field covers elementary, high school, and junior college education in the county.

May Discontinue Jeff's Night School

Unless attendance at the night school sessions sponsored by Jefferson Union high school, Tuesday and Thursday evenings, improves the classes will be discontinued, according to Stanford Hannah, principal.

Adults of the community are invited to enroll even at this late date in any of the courses, including shorthand, bookkeeping, typing, business machines, Americanization, English for Foreigners, youth leadership, auto mechanics. Those who began studies there when the night school opened in the fall are urged to continue.

Classes meet from 7 to 9 p. m. every Tuesday and Thursday.

Service Center Knows Time Now!

There are now two clocks for the Daly City Servicemen's club, 6201 Mission street. The committee announces that last week's appeal in The Record brought in two donations. One clock will be placed in the window and the other inside the club.

Currently, hostess organization at the center is Cypress Circle No. 14, U. A. O. D. Taking over Sunday, November 5, for a week will be Colma Vista Grande Aerie No. 1848, F. O. E.

A Hallowe'en party was given for the boys, Tuesday night, October 31. Clever decorations, entertainment, and good things to eat made it a pleasant evening.

MEET RANCHERS

To discuss employment problems as related to Selective Service regulations a meeting of Daly City Draft Board No. 103, district and state officials, and the local hog ranchers was held at the city hall, Tuesday evening, October 31. The ranches represented were San Francisco Hog company, Olcese Hog company, V. Rossi Hog company, and Standard Hog company.

Board Chairman Dr. J. C. McGovern introduced Commander F. Edward Walker, who presided at the session, and Fred A. Collins, secretary of the board, introduced the hog ranch representatives. Colonel Howe, from State Service headquarters in Sacramento, attended and took part in the discussion.

Yesterday, November 1, Mrs.

Local Registration Passes 5,000 Mark

There are nearly a thousand more Daly City residents registered for the general election, November 7, than for the May 16 consolidated primary. Registration for the community totals 5,550. Polls will be open from 7 a. m. to 7 p. m. in the 22 local precincts. Notices of polling places and sample ballots have been mailed to all local voters by W. H. Augustus, San Mateo county clerk.

Daly City's increase in registration reflects a state-wide trend. Californians registered to vote in the November 7 election total 4,141,331, the greatest number in history and 88,936 more than the all-time high set for the 1940 presidential election, it was announced, this week, by Frank M. Jordan, secretary of state. Registration by party was: Democratic, 2,418,965; Republican, 1,548,395; Prohibition, 7,101; miscellaneous, 8,829; declined to state, 158,041.

San Mateo county's total registration is 81,394. Democrats total 42,412 and Republicans, 35,233.

The Record urges every local voter to go to the polls, next Tuesday, as this is one of the most important elections in the history of the country. In addition to the selection of national and state leaders, there are many important state propositions and the runoff race for the post of supervisor in the third district of San Mateo county between Dr. Arthur E. O'Neill and Henry W. Edmonds.

With the talk of asserted fraudulent registration in some California counties, Augustus took the trouble to outline again the qualifications necessary for each voter. To be qualified one must be a native born or naturalized citizen of the United States of America, at least 21 years of age prior to November 7, 1944; resident of the State of California for one year, resident of San Mateo county for three months, resident of the voting precinct for 40 days, legally registered.

Fire Destroys Westlake Home

For two hours, Monday morning, October 30, men of Companies 1 and 2, Daly City Fire department, battled a blaze which nearly destroyed the residence at 320 Westlake avenue. Working in a drenching rain, the men were directed by Assistant Chief Arthur Bodien and Battalion Chief Elmer Kennedy. C. Michels and family occupied the home. One of the children, who was cooking breakfast at the time, discovered the fire's outbreak and turned in the alarm at 10:33 a. m.

Saturday, October 28, Companies 1, 2, and 6, supervised by Chief Andrew P. Chesney, Bodien and Kennedy, put out a fire which threatened serious consequences at Mission Auto court. The alarm came in at 8:20 a. m. from Box 37. A Chesterfield, occasional chair, rug, curtains, and a portion of the cabin were damaged.

Companies 1 and 6, Chesney, Bodien, and Kennedy responded to a call from Box 631, Mission and East Cavour, Friday, October 27, 3:55 p. m. It was a false alarm.

To Observe Book Week At Library

Mrs. Jean O'Rourke is preparing for the annual observance of Book Week at the Daly City library, November 12-18. Theme for this year is "Unity Through Books." Attractive book marks, featuring the 1944 Book Week Poster, will be issued during the observance.

There will be special displays and new books for the attractive children's room at the local library will be exhibited.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Private First Class Albert Tuvo, Daly City, has been reported wounded in the European area. His mother, Mrs. Amelio Tuvo resides at 256 Station avenue. Notification came from the War department.

Among Northern California men killed in action in the European theater of operations, as recently reported by the War department, was Private First Class Anthony B. Lucia, 723 Brunswick street. His mother is Mrs. Mary Lucia, of the same address.

The 15th AAF in Italy has announced that First Lieutenant James G. Iversen, 26, communications officer, and husband of Elizabeth M. Iversen, 163 Los Olivos avenue, Daly City, is a member of a B-24 heavy bomber group which has been awarded the Distinguished Unit Badge, the highest unit award.

He is now entitled to wear the Distinguished Unit ribbon. The award was given for the precision bombing of the Bad Voslau, a fighter plane factory. This new factory, the pride of Herman Goering, had just swung into production, when it was attacked by the 15th AAF. Despite intense flak and numerous enemy fighters, this particular group led its entire wing directly over the target, and literally wiped the factory off the face of the earth. Not one building was left untouched. Called by the press "the finest example of precision bombing by Liberators," the destruction was so complete the Nazis never made an attempt to rebuild the plant, or even remove the debris.

15th AAF in Italy—First Lieutenant Robert S. Capps, 21, 345 Winchester street, Daly City, pilot, has been awarded the Distinguished Unit badge as a member of a veteran Liberator Bomber group which has been cited "for outstanding performance of duty in armed conflict with the enemy." Commanded by Colonel Thomas W. Steed, the group received the nation's highest organization award for an attack on the aircraft factories at Weiner Neustadt, Austria, May 10.

According to the citation which accompanied the award, "Ground personnel worked feverishly, enthusiastically and with untiring intensity to get all type B-24 aircraft in the best possible mechanical condition to insure the success of the operation."

The group entered the Italian campaign in January and has since completed more than 115 combat missions over such major Nazi targets as Ploesti, Rumania; Munich, Germany; Steyr, Austria; and Elechhammer, Germany.

Giuliano Rossi, 303 Miriam street, Daly City, has received word that his son, Private Pietro E. Rossi, has been wounded in action in the European area.

Girl Scout Council Will Hear Reports

Tomorrow evening, November 3, the Daly City-Colma Girl Scout Council will meet at the home of Mrs. Frances Windhurst, 742 Templeton avenue. Mrs. Stella Jensen, commissioner, will preside.

To come before the members will be reports from the leaders' association, problems of securing adequate housing for present and prospective troops, and a summary of Girl Scout Week activities, as well as routine business.

The council invites the public to see the special exhibit of arts and crafts at McGraw Brothers pharmacy, 6300 Mission street. The display in the window, contributed to by all Brownies and Scouts of the area, is a Girl Scout Week feature. The 7-day observance ends Saturday, November 4.

Judge Asks Briefs In Reardon Case

At the Wednesday morning, October 25, trial of James G. Reardon's suit for reinstatement as police chief of Daly City in San Mateo County superior court, Judge Andrew R. Schottky of Mariposa county, sitting for Judge Maxwell McNutt, took the case under advisement. Attorneys for both sides were directed to file briefs.

Judge Schottky ruled out evidence on any charges against Reardon and limited the inquiry as to whether or not proper procedure was followed by the Daly City council in discharging Reardon, who was ousted by a 3 to 2 vote of the councilmen, June 26.

Reardon, whose petition for an alternative writ of mandate for the City of Daly City to reinstate him to civil service status and position, arrears in salary and for general relief, or to show cause why not, was granted in August. He is represented by Attorney Raymond J. O'Connor and Attorney Joseph J. Bullock, while the city has as counsel F. E. Hoffmann, city attorney and Attorney J. W. Coleberd.

On the stand, October 25, Reardon maintained that he was never served with charges of incompetency. Mayor A. J. Gaggero testified that civil service rules and regulations, under which Reardon would have had the right to appeal to a board of review, had been compiled but had not been adopted. Reardon's counsel brought out a statement made by Gaggero the night of June 26 that he did not believe it was proper procedure for the council to sit as a board of review. B. C. Ross, city clerk and personnel clerk of Daly City, testified that to his knowledge no board of review had been called and that no written charges had been filed with him against Reardon.

Attorney O'Connor said that he would file his brief within the 15 days allotted by the court, then the city's attorneys will have 15 days to file their brief and he will have a 5-day period to reply. After the judge considers the briefs he will make his decision and all interested parties will be notified of the outcome.

"NOT BAD"

"Not bad at all" was the way officers at the Daly City Police department described this year's Hallowe'en. There were the usual soaped windows and air out of auto tires due to the October 31 celebration, but no major damage of any sort was reported.

WARNING

As a result of nine cases of mussel poisoning and two deaths in San Mateo county, the quarantine established, May 1, 1944, of all mussels from the ocean shore of California, including the Bay of San Francisco, has been extended until further notice.

Gathering and serving of mussels for food in San Mateo county is prohibited by law, according to an announcement today from the San Mateo County Department of Public Health and Welfare. All violators will be prosecuted, the order said.

crowd will have to be limited to approximately 80 each time, Mrs. Eason and Mrs. Boyle said. Those who register with the club will take turns in attending.

In spite of the far-more-than-capacity crowds, everyone had a good time, the committee reports. Only one unfortunate incident marred the evening, Miguel, who had generously given his time to provide the music for the event, was the victim of a nasty Hallowe'en prank. Someone let the air out of the tires on his car, and threw dirt all over it.

THINGS TO COME

"Things to Come," H. G. Wells' prophetic film of the future, starring Raymond Massey and Sir Cedric Hardwicke, will be shown at the Jewish Community center, Wednesday, November 8 at 8:15 p. m. as part of the Fall Film Festival. The center is located at California and Presidio.

Surgical Dressings Department Work Stopped, Friday

For the time being at least, the surgical dressings department at the Daly City Red Cross workroom, Theatre hall, has been closed. Last day was Friday, October 27, and the volunteers concluded their many months of work with a party. Mrs. Ruth Morris, chairman of the division, was presented with a beautiful orchid and the best wishes of her fellow-workers.

The close-down order came from county headquarters and it is possible the work may be resumed later, Mrs. Morris said. Since January, 1943, when the project was launched locally, 77,831 bandages have been produced at the Daly City workroom. Of this total, 27,087 were made in 1943 and 50,744 in 1944.

The sewing division will continue to operate and an invitation for all those women previously working on bandages to now give their time to the sewing projects is made by Mrs. Mary Crane, chairman.

The workroom will be open only one day each week, Wednesday, from 10 a. m. to 4 p. m. New volunteers interested in helping with the sewing will also be welcomed, Mrs. Crane pointed out.

Veteran's Employment, Information Service Council Holds Meeting To Discuss Ways of Promoting Objectives

At its fourth meeting, held October 19, at the council chambers of the city hall in South San Francisco, the Veterans' Employment and Information Service Council of North San Mateo county approved the recommendations submitted by its Ways and Means committee, that a fund be established to promote objectives to which it has dedicated itself, by requesting contributory support from the respective city councils of San Bruno, South San Francisco, Colma, and Daly City.

Representatives from these areas agreed that they would endeavor to obtain the full support from the city councils and that the veterans' council would thereby be greatly aided in its job of coordinating the efforts of individual agencies in this area that are serving veterans, thereby speeding the adjustment of veterans from military to civilian life. Presiding as temporary chairman, in the absence of Earl Potter who formally resigned upon leaving this area, Bernard Cohn was appointed as acting chairman for an indefinite period, and Miss Wilma Mills as secretary.

Richard L. Crane, superintendent of the elementary school district, Daly City; Alex Welte, Selective Service Board No. 103; R. A. Rapsey, municipal court judge, San Bruno; and William Kalbach, of the South San Francisco Association of Manufacturers, were elected as members of the executive committee.

It was also reported that during the past sixty days almost one hundred veterans have contacted the local office of the U. S. Employment Service in South San Francisco, serving as one of the information centers in North San Mateo county.

According to a report received from Sam Kagel, War Manpower Commission director for Northern California, more than 8000 veterans of World War II contacted the U. S. Employment Service offices in Northern California during September and from January through September, 24,218 veterans have been referred to jobs, in addition to other thousands who sought information.

Servicemen and women are now being discharged from 44 service hospitals in Northern California and from the Army's Separation center at the Presidio of Monterey.

In cooperation with the Army and Navy officials, veterans' employment representatives of the Employment Service are stationed at the hospitals and separation centers; and, as part of the discharge routine, servicemen are interviewed by the veterans' employment representatives before they are discharged.

Kagel pointed out that the "GI Bill of Rights" provides that the U. S. Employment Service maintain a veterans' employment service charged with the responsibility of placing veterans who do not wish to return to their old jobs, and those in the service who have never been employed.

Evans A. Fletcher, candidate who polled nearly 7,000 votes in the May 16th primary election, in endorsing Dr. A. E. O'Neill for County Supervisor, says:

"Since I bow to the will of the majority and have faith in your ability and sincerity to serve this county well, I want you to know I am supporting your candidacy in this November election."

"I hope all of my friends and supporters of the May Primary Election will again place their trust and confidence in my judgment to the extent that they will support your candidacy in the interests of good government."

Dr. A. E. O'Neill
Sequoia Theater Bldg.
Redwood City, Calif.

Dear Sir:

As you know, I was a candidate in the May 16th Primary Election for the Office of Supervisor of the Third Township. I felt I was qualified by my past experience in public office and my sincere desire to serve the electorate of my community to fill the post I sought. However, the results of that election are history now. You led the field of candidates by an impressive vote, eliminating me from the field and narrowing it down to yourself and one other candidate.

On November 7th the electorate of San Mateo County will be called upon to choose between yourself and that other candidate as to which shall be its representative in County Government. In view of the high vote you received last May, I believe the voting public of San Mateo County has already expressed that preference.

Since I bow to the will of the majority and have faith in your ability and sincerity to serve this County well, I want you to know I am supporting your candidacy in this November election.

I hope all of my friends and supporters of the May Primary Election will again place their trust and confidence in my judgment to the extent that they will support your candidacy in the interests of good government.

You have my authorization to use the contents of this letter in the interests of your campaign.

Very sincerely yours,
E. A. Fletcher

NINE PAY FINES AT FRIDAY COURT

Nine fines were paid and two bail payments forfeited at the Friday, October 27, city court session presided over by Judge William J. Sweeney.

Those paying for infractions of traffic regulations included Pietro Ancona, 834 North Point street, San Francisco, \$2.50, signal; Roy Kemmet, 320 Sanchez street, San Francisco, \$5, speeding; Ernest Giachetti, 609 Miller avenue, South San Francisco, \$10, speeding; Guido Lucchesi, 213 Victoria street, San Francisco, \$2.50, signal; Carolyn Sekins, Belmont, \$2.50, signal; Emory Schutt, Sacramento, \$10, speeding; James Bass, 6628 Mission street, Daly City, \$7.50, speeding; Mattie Cosulich, 235 Saint Charles avenue, San Francisco, \$2.50, signal.

Ray Geens, 6843 Mission street, Daly City, was fined \$50 when found guilty on a charge of drunken driving.

Fred Oltman, Colma, and Alta Morris, 646 Valley street, San Francisco, both forfeited \$5 bail payments for non-appearance on charges of being drunk in a public place.

Leaders Discuss Service Ribbons

Mrs. Muriele Pabst, president, conducted the monthly meeting of the Daly City Girl Scout Leaders association, Monday night, October 30, at the home of Mrs. Cecelia Hale, 599 Crocker avenue.

Decision was made as to how many hours would be necessary for the girls to earn ribbons for war service work. For the white ribbon, Scouts must give 30 hours and Brownies, 24; for the blue, Scouts, 45 and Brownies, 36; for the gold, Scouts, 60, and Brownies, 48.

Girls will be promoted only twice a year, the group stated. The newly organized Senior Girl Scout Troop will have as leader, Mrs. Sylvia King. These older girls will take up home nursing and make scrapbooks and other articles for the servicemen.

November 8 will be the date of tryouts for the bond play which the Girl Scouts plan to present for the Sixth War Loan drive opening, November 20.

PROPOSERS OF PROPOSITION NO. 4 OPTIMISTIC

Proponents of Proposition Number 4, "Fair Play for Charity" Constitutional amendment on the state ballot, November 7, are optimistic of its passage because of the intensive educational program carried on the last few months by leaders in all faiths and creeds in the state.

The amendment, passed almost unanimously by the Legislature but which must be submitted to

the voters because it is a change in the State Constitution, would permit the Legislature to exempt non-profit charitable and welfare organizations designated by it in specific acts, from the payment of taxes.

It is pointed out by those who have been working in behalf of the measure that California is now the only state without such a law.

Mr. Candidate . . . Are You deliberately trying to

DECEIVE THE VOTERS?

You Have Made These Statements

Regarding Congressman John Z. Anderson

1. You Have Said That Congressman Anderson Did Not Support the President.

This is false, Mr. Candidate. Congressman Jack Anderson voted with the President in approving every expenditure necessary for the prosecution of the war. He voted in favor of the soldiers' ballot and the G.I. Bill of Rights. He voted for the extension of Lend-Lease and reciprocal trade agreements. He voted for the fortification of Guam. He voted for the Selective Service and Training act and for the extension of this act when it passed the House by a vote of 203 to 202. It was only on expenditures that were wasteful and non-essential to the war effort that Congressman Anderson differed with the President. Did you mean to say that Congressman Anderson was not a rubber stamp? If so, you're right!

2. You Have Said That Congressman Anderson Opposed Lend-Lease.

That's a half truth, Mr. Candidate. Congressman Anderson did vote against the original Lend Lease. But did you mention that the Congressman had just returned from an extended tour of the Pacific in which he saw how totally inadequate our defenses were in case of Japanese attack. He felt that we should not lend, lease or give away any of our own vital war materials until our own shores were protected. Pearl Harbor, Bataan and Corregidor proved how right he was. However, he has supported every appropriation under Lend Lease. Wouldn't you or any other American have done the same?

3. You Have Called Congressman Anderson a Reactionary.

It's always easy to call names, Mr. Candidate, but the facts don't back you up. Is it reactionary to support 14 out of 18 measures in favor of labor? Is it reactionary to extend social security to groups not now covered? Is it reactionary to support the war effort 100%? Is it reactionary to support every measure of benefit to Veterans? Is it reactionary to plant Guayule Rubber in California? Is it reactionary to be a capable, trusted worker of the House Naval Affairs committee? Possibly you'd better look up the word Reactionary in the dictionary.

4. You Have Criticized Congressman Anderson's Farm Policies.

Get this straight, Mr. Candidate. Congressman Anderson voted against ploughing crops under—and he'd do the same today. He voted against consumer subsidies because it is foolhardy to spend approximately \$18 administering a plan designed to save about \$6. But in the things that count, Jack Anderson has been agriculture's best friend. He has always voted for a fair price for the farmers. He was largely instrumental in bringing the Mexican Nationals as emergency farm laborers. He has continuously fought for proper recognition for California's farm crops. That's real service to agriculture.

You Have Made These Statements in Favor of Your Own Candidacy

1. You Have Stressed Your Long Legislative Experience.

Is lobbying for pressure groups your idea of legislative experience, Mr. Candidate? Have you ever served in an elected legislative capacity—either in this State or in Washington? Your record shows that you have not. Surely, in these critical times, when experience is so vitally needed, you would not expect the voters of this district to send you to Washington so that you could get your first taste of legislative experience—at their expense.

2. You Have Called Yourself a Liberal Independent.

Perhaps you are liberal, Mr. Candidate. The records are not very clear on that score. But they definitely indicate that you are NOT independent. Is it mere coincidence that your name is a "must" in publications of the Political Action Committee? Was it chance that prompted your arrival in this district a few short weeks before the primary—too late, even, to vote for yourself? You are campaigning on a "support the President" ticket, Mr. Candidate—but are you willing to come out and tell who your real backers are?

3. You Have Promised Intelligent Representation For This District.

Technically, your residence may be Santa Clara County, but actually your homes have been in Washington, D. C., and Los Angeles, California. To represent a district a man must know that district. How can you possibly know the problems of these four counties after a few months—all of which time has been spent in campaigning? There is no rhyme or reason to your request that an outsider should represent this district in Congress.

4. You Have Pledged Yourself to the Interests of the Small Farmer and the Small Business Man.

You are being inconsistent in your promises, Mr. Candidate. One of the biggest businesses in the country today is the Political Action Committee of the C.I.O. Are the interests of the small business man and the small farmer the same as those of the Political Action Committee? Isn't it a trifle difficult to serve two masters whose interests are different?

Let's be Americans and vote on the basis of TRUTH!

NEWS FROM LOCAL ELEMENTARY SCHOOLS

AT WOODROW

As "China" is to be the next social studies' unit in Room 1, the pupils are now busy collecting material about our Eastern allies.

Reports and maps of the Texan Campaign have proved of interest to the pupils of Room 4.

By the look of the cloakroom in Room 8, the class will soon have to move out. Tin cans are rapidly taking up all the space.

South America is the topic in social studies.

The sixth grade enjoyed a sound film on the "Development of Transportation." In connection with their studies of early transportation, they learned how the present system was developed.

By keeping the totals each week Room 12 has found that in four weeks the class bought \$143.50 in stamps and bonds.

Room 14 has twenty caterpillars in a box. The caterpillars are orange and black. The pupils call them "Hallowe'en Caterpillars." They eat different kinds of leaves.

Room 15 had a very interesting film on "Spinning and Weaving." The film showed how early Italians and American Colonists spun wool and flax. Later pupils learned how linen was woven into cloth.

AT CROCKER

Last week the pupils of Room 2 were shown a moving picture entitled, "From Fleece to Fabric." They saw the different processes and operations through which wool passes before it becomes a piece of cloth.

Last Wednesday, the pupils of Room 3 enjoyed a film entitled "The Development of Transportation." The various stages in the growth of land and sea transportation were shown. The development of air travel was also depicted up to the modern helicopter.

Marlene Lowry from Room 6 spent the weekend in San Jose visiting her grandmother.

Geraldine Pike spent Saturday and Sunday in Santa Cruz.

AT JEFFERSON

In their current events period, last week, the seventh grade had for their discussion topic, the problem "What to do with Germany after the War." The class read and analysed, with the help of their teacher, the various suggestions offered in "Current Events." The discussion closed with careful consideration of the three ways in which Germany's future might be charted: as an industrial nation, an agricultural nation or as a divided Germany.

Last Thursday, Patrick Griffin, of the sixth grade brought to his class a very fine sketch of a "Corvette" World War II model. As Pat's father is on a boat of this type, Pat was able to tell his classmates a few interesting facts about corvettes.

Children in the fifth grade have started their study of wool by making maps that show the states which are growing wool. A mural depicting wool growing animals has been started, and the girls are busily gathering wool materials for a class room exhibit.

All of the class rooms have shown the Hallowe'en spirit in their decorations and art corners but the fourth grade has entered

most completely into the Hallowe'en spirit. They have taken it into their language and spelling lessons by writing original short stories and poems and have produced some very interesting work.

**Plain facts
about really
good coffee**

COFFEE that's wisely purchased and carefully brewed will be really good coffee. Here are some plain facts about buying and brewing it.

BUYING COFFEE

Choose the blend that you find most satisfactory to your taste. Some are smooth and mild—some are rich and robust. But if you like it, that's the blend for you, no matter what the price tag says.

Buy fresh coffee, whether it comes already ground or packed under vacuum, or is ground to your order at the store.

Get the grind that is best suited to your coffee maker. ("Regular grind," in vacuum-packed coffees, is suitable for all coffee makers; "drip grind" is favored for drip or vacuum makers—store-ground coffee can be specified for percolator, vacuum, drip or coffee pot.)

BREWING COFFEE

Clean containers and coffee makers are required, if you want really good coffee. Keep vacuum-packed coffee in its own container. Before transferring store-ground coffee to your pantry container, make sure that all the old coffee has been removed (a thorough washing with soap and hot water, followed by thorough drying, insures the right result. Even a little old coffee can spoil the new). Thoroughly wash and dry the coffee maker similarly, every day; once a month, boil it out in soapy water to freshen it.

Use enough coffee in your coffee maker. As a general rule, for average strength, 1 rounding tablespoon or 2 level tablespoons for each standard 8-ounce cup of water.

For stronger coffee, use more ground coffee—longer brewing simply spoils the flavor.

Have the water boiling briskly.

Measure both the coffee and water carefully, each time, to avoid disappointment.

Never use grounds twice—and never reheat.

FILL THE WAR CHEST!

In the production of things that mean destruction to our enemies, California has been zealous. Planes, ships and munitions have flowed to the war zones in ever-increasing measure, to fill the enemy with foreboding of defeat.

Equal zeal and whole-hearted generosity will provide the things that mean life and hope to our friends and loved ones abroad, to our men in service and to the unfortunate among us at home. That means contributing to the War Chest to the utmost of our ability.

FOUR REASONS WHY YOU SHOULD VOTE FOR PROPOSITION 4

- 1 California is the ONLY state that now penalizes non-profit charity and welfare agencies by taxing them. If Proposition Four is approved this will be corrected.
- 2 The contributions YOU now make to charity and welfare institutions will ALL be used for that purpose if you vote FOR Proposition 4.
- 3 It will enable the character-building institutions serving youth to increase their programs and reduce the increasing juvenile delinquency rate in the state.
- 4 Leaders of every faith and creed in the state urge your support of this measure.

269 CARS EVERY BUSINESS DAY ARE FINANCED THROUGH Timeplan

● In spite of war conditions, there are still many automobiles purchased every business day in California. An average of 269 of these cars are financed through Bank of America Timeplan, which is brought to you by leading dealers.

Timeplan is not only available for financing the purchase of a car, but through any branch of this bank you can make a Timeplan loan on your present car, fully paid for or not.

If you need a Timeplan loan for any purpose, establish your bank credit and borrow at Bank of America. If you are buying a car, ask the dealer to finance it through Bank of America Timeplan.

NEW SPECIMEN

The two young raccoons in the Boy Scout wild life exhibit of Troop No. 141 at 6622 Mission street are enjoying the companionship of a newly added specimen to the miniature zoo, a young opossum. According to the best authorities, 'coons and 'possums are cousins, say the Scouts.

"It's surprising," say the boys, "how many people who view the animals and do not know what they are. The raccoons have been called everything from rats to pole cats, but don't seem to mind so long as they are called in time for their meals. Speaking of meals, one scout, George Ritter, who has an eye for business, was instrumental in installing a coin-in-the-slot idea so that anyone so disposed could help out on the animals board bill. The response has been quite encouraging," the boys concluded.

When the opossum was first put in with the 'coons each species was mutually afraid. Now however, they accept each other and play happily together.

"The raccoons," laments the scoutmaster, "have not been as appreciative as they might; they got into my pigeon loft and proceeded to dine on pigeon eggs and squabs. But they are nice little helpers in the garden and eat a lot of snails when they aren't climbing up a clothesline pole or to some neighbor's housetop."

The animals daily attract interested visitors, both young and old. The scouts hope to add other specimens occasionally, but emphasize, "No skunks, please!"

READ WHAT SAN MATEO COUNTY'S LEADING NEWSPAPERS HAVE TO SAY ABOUT

EDMONDS FOR SUPERVISOR

The Following Editorial Appeared

In The BURLINGAME ADVANCE Thur., Oct. 26

EDITORIAL

"Competence Begins At Home"

"Competence begins at home!"

We quote from an editorial in the San Francisco Chronicle recently and we borrow the phrase because it applies so well to the current election campaign for Supervisor of San Mateo County, for which the Advance recommends Henry W. Edmonds (lieutenant-colonel, retired).

Most of us are so engrossed in the Roosevelt-Dewey battle that the job of county supervisor fades into insignificance alongside the national issues.

But, practically speaking, election of a competent, qualified county supervisor will probably have as much bearing on the personal welfare of citizens of San Mateo County as will the presidential election.

Your county supervisor is entrusted with administering the expenditure of nearly three million dollars annually of YOUR MONEY.

He is the man you look to for proper development of the county and clear-thinking consideration of a thousand and one matters affecting your home, your taxes, your recreation facilities and your entire local governmental system. He is empowered by the State of California to act in your behalf in all matters of emergency and importance.

That is why we feel that the election of HENRY W. EDMONDS is important to the welfare of the citizens of San Mateo County.

Colonel Edmonds is, first of all, an absolutely independent candidate and is not aligned with other elements of our county government.

He is free to stand on his own feet and fight for the interests of the people, rather than take the program of political interests.

Colonel Edmond's civic record and his record as a soldier in the United States Army in the present war and in World War I are living tribute to a man whose entire life has been devoted to aiding his fellow man and in working for the betterment of his city, his county, his state and his country.

He has been endorsed by both of the competing newspapers in his home city. The Redwood City Tribune and the Redwood City Star Advertiser.

The Advance feels it an honor to join with these publications and with thousands of citizens interested in good government, in recommending the election of Colonel Edmonds on Nov. 7.

EDMONDS

In a letter to the San Mateo County labor Council, and the San Mateo County Building Trades Council, H. W. Edmonds, candidate for county supervisor today stated that he is opposed to Proposition No. 12, on the November ballot.

Edmonds, in the letter, told members of the labor organization that in-as-much as civic organizations and officials now in office are making public their opinion on the proposition, that he felt it important that citizens be apprised of his stand on the matter.

He declared that record in civic activities in Redwood City and San Mateo County are evidence of his fairness in problems affecting labor and management.

When salvage paper is collected, to avoid fire hazard, the Department of Agriculture recommends that it be stocked neatly and tied in bundles. Paper boxes should be flattened, then tied in tight bundles. A metal trunk or bin with a tight cover is the safest place to store paper. Next best is to stack paper bundles on a cement floor away from furnace, stove or hot pipes. Soiled or oily paper is useless for salvage and is also a fire hazard and should be destroyed.

WPB has given priority assistance to producers to obtain cotton and flannelette fabrics. Outerwear, pajamas and underwear are included in the current children's apparel program. Low cost goods of durable quality is stressed.

Mothers seem to be much more concerned about variety in the foods they feed to the baby, than do the babies. Have you noticed there are many routine things about your baby's care which work beautifully if you don't try to change them? Have you noticed how many people eat exactly the same breakfast day after day with no complaint about monotony? We don't advise too much sameness, but neither do we advise too much variety.

One mother we met thought her six months old daughter should have variety. So, she fed strained spinach one day, carrots the next, green beans the next, peas the next, asparagus the next and was proud that there was not a single "repeat" in a week's time. She probably was confusing the child. Learning to like a wide variety of foods is desirable but should be accomplished over a period of many months.

When starting the first semi-solid foods, whether it is one of the special baby cereals, or one of the strained vegetables, feed only a taste the first day. These more solid foods are not liquids and don't slide down the throat as do milk or water. They take a different method of handling them in the mouth and have to be consciously and deliberately swallowed. Milk doesn't. It slides down and is swallowed without effort. The second day, feed another taste, or perhaps two tastes, of the same vegetable. In fact, when introducing a new food, why not feed the same food for several days until the baby becomes accustomed to its taste and the feel of it in his mouth? The "feel" is probably much more important than taste to a young baby, so don't be too concerned about variety at first.

Mark Twain Saga At D. C. Theatre

The fascinating saga of Mark Twain, a typically American story, of this country's beloved and famous humorist, forms the background for the Warner brothers film, "The Adventures of Mark Twain," now at the Daly City theatre.

ALEXIS SMITH

Starring Fredric March in the title role, the picture tells of Twain's boyhood against a Mississippi background and of his friendship with Tom Sawyer (Michael Miller) and Huckleberry Finn (Eugene Holland), three rafting explorers of the river, who hunt buried treasure and imaginary pirate's gold. The film goes along showing how the adventures of the river so intrigue Twain that he is lured away from his apprenticeship as a printer, learns to navigate, becomes a full fledged pilot, takes his own steamer down the river, falls in love with the photograph of a beautiful girl, Olivia Langdon, played by co-star Alexis Smith, of his determination to marry her, his quest for money to make this possible and of his recording of a frog jumping contest which inadvertently launches him on the road to literary fame.

Featured on the long and imposing list of supporting players are Donald Crisp, Alan Hale, C. Aubrey Smith, John Carradine, Bill Henry, Robert Barrat, Walter Hampden and Joyce Reynolds.

Yes	
No	X

WHAT No. 11 REALLY MEANS:

1 It provides a state pension to everyone 60 years of age and over as a **RIGHT** and NOT as a relief measure. The California Taxpayers Association estimates that a million people in California will have this **RIGHT**. It makes no provision for the **NEEDY**, and imperils the present Federal contribution for relief estimated in San Mateo County this year at \$280,000. This will raise your property tax by about 20 cents per \$100. Federal participation is based on **NEED** rather than **RIGHT**.

2 It abolishes the state sales tax of 2½ per cent. **This is a baited hook to get the votes of the unthinking.** This present fiscal year San Mateo County schools will receive about \$638,000 of Sales Tax money. With the withdrawal of these funds, the taxpayers on the average will find their school taxes raised about 48 cents per \$100 on homes and other real property.

3 There is to be established a gross transactions tax of 3 per cent or more. It can be raised to 5 per cent if the 3 per cent tax does not produce enough money. This tax will be placed on **every transaction from primary producer to final consumer.** Stated otherwise, it is a pyramiding tax which, it is estimated, will raise the **COST OF LIVING** from 15 to 25 per cent. It is a hidden tax, with all the deceptions of such taxes.

4 It would bring into being another taxing machine and a horde of job-holders — administrators, investigators, clerical help, theorists, and also the inevitable political favorites. It all started in Los Angeles.

5 Estimates of the amount which will be taken from the public annually are placed at **ONE BILLION DOLLARS**, or about twice what the state revenues are in these flush days.

6 "The most vicious measure since 'Ham and Eggs.'" So says the California Taxpayers' Association.

7 Above all, **DON'T BE DECEIVED** by the **BAIT** to vote to abolish the sales tax of 2½ per cent.

THE VETERANS OF FOREIGN WARS
of the United States

The heroic deeds and glorious achievements of America's fighting forces on land and sea and in the air are emblazoned forever in American history.

We are proud of the record of our achievements at home as well as abroad. The Veterans of Foreign Wars have worked for progressive measures and legislation, both state and national, of benefit to the American people.

We have opposed strife-creating, controversial, and all un-American legislation. We have worked to safeguard the rights and interests of Veterans.

We, in addition to aiding and protecting veterans, have dedicated our efforts to building a better, nobler and safer civilization in the United States of America.

Now, more than ever before, is the time for united action. During the dangerous postwar period there must also be unity and co-operation among our citizens. Everything that creates internal discord jeopardizes America.

California faces the dangers created by a small group of wealthy Los Angeles

employers who are endeavoring to secure the adoption of dangerous strife-creating legislation at this time when all Americans should be united in winning the war and preparing for the post-war period. We refer to that misleading initiative proposal entitled "Right of Employment" which is an anti-labor measure.

This adroitly worded initiative pretends to protect working men and women. Since when did wealthy Los Angeles employers become protectors of working men and women?

This initiative proposes so to amend the Constitution of the State of California as to abrogate rights of employers and employees that have been guaranteed to them by California's Constitution since its adoption.

The Constitution of the United States guarantees these very rights to employers and employees. Federal laws also prohibit courts from interfering with employers and employees in the exercise of the very rights this proposed amendment to our State Constitution would prohibit.

The Veterans of Foreign Wars are concerned about winning the war, and about employment for every man and woman who wants to work during the post-war period and thereafter.

They regard the proposed initiative entitled "Right of Employment" as reactionary class legislation, aimed solely and alone at the working people by greedy exploiters of labor.

The Veterans of Foreign Wars earnestly urge our fellow citizens not to be deceived by those who are creating internal strife and discord for their own profit when we all should be unitedly working to win the war and guarantee the peace.

The Veterans of Foreign Wars have joined with churches, State and local chambers of commerce, county boards of supervisors, city councils, civic organizations, labor organizations and citizens' organizations generally throughout the state in urging all of our fellow citizens to vote against the strife-creating initiative measure misleadingly entitled "Right of Employment."

Department Commander.

Junior Red Cross Helps Servicemen

The Junior Red Cross of the Jefferson Elementary School district proudly announces that it has just shipped off 100 lapboards for use in overseas hospitals. The boys have now begun 100 lapboards, while the girls are working on "housewives" and bedside bags.

To acquaint the public with the many articles which local school children are making for the comfort of servicemen, an exhibit will be placed in McGraw Brothers' window, early this month, according to Superintendent R. L. Crane jr.

The children's tin-drive is progressing nicely. Local householders are urged to save the vital-to-war-effort tin cans for the youthful collectors, who'd like to receive them cleaned, delabeled, and flattened, of course!

NEWS FROM JEFFERSON UNION HIGH

By Verna Moresco

GIRLS' BLOCK "J"

Members elected to serve as Block "J" officers this term were Doris Vernengo, president; Barbara Gregor, vice-president; and Beverly "Tiny" Clement, secretary.

This organization has a total of nine members.

J. N. S.

At the last meeting of the Jefferson Naturalist Society the following students were presented as proposed members: Dalbert Weidel, Philip Morales, Pat Colby, and Betty Pistohl.

Proposed members of the J. N. S. must attend three meetings and one field trip.

The display, this week, in the J. N. S. window consisted of butterflies and different insects.

Members are planning to go to Alum Rock, this Sunday, for a day of swimming, hiking, and collecting.

ENTERTAINMENT

The entertainment committee has announced that the next dance will be, November 17. The title given for the affair is "Chase 'em, Take 'em, Swing 'em Dance." The theme will be on the order of a barn dance.

The committee also announces that the girls are to ask the boys.

The Indians of Rhythm will be there to give out with the "jive".

Tickets will be on sale soon, so come on girls, better get your partner before it's too late, or there won't be any boys left.

SENIOR SWEATERS

All orders for senior sweaters were taken, last week, and it is expected that they will arrive sometime in January or February.

Two blocks were designed, one by President Eugene Somers, and the other by Don Van Kirk. The one drawn by President Somers received the majority of "okeys" from the students. The block is an Indian's head with June '45 below. The colors will be blue and gold.

SENIOR NEWS

There are eighteen seniors who are planning to graduate in the class of January '45 which is very, very few, and since there is such a small class, there will be no graduation. Instead the graduates' names will appear on the June '45 programs.

A senior ball is being planned, and there will be no special chairman as the whole class has decided to participate.

There will definitely be no senior edition, and as for a senior jinx the class is undecided.

POTOGRAPHY CLUB

Another project of the photography club this semester is the taking of portraits. This afternoon the members are planning to get together to take each other's portrait, as announced by Ed Boyte, president of the club.

Regular meetings of the club are on Fridays.

INDIANS OF RHYTHM

The Indians of Rhythm are preparing for an assembly in the near future.

Numbers include "Then You Kissed Me," "Her Tears Flowed Like Wine," "Salt Water Cowboy," "Blue Room Jump" will be a band number, with a piano solo by Barbara Gregor.

Novelty numbers "Patty Cake Man," "Pretty Kitty Blue Eyes" will feature the trio, Doris Vernengo, Lillian Altman, and Pat Morocco. Another novelty number will be "Dolly With A Hole in Her Stocking."

CHORUS

John McCarthy, music director at Jefferson, has announced the arrangements of his third and sixth period classes. In each of these periods a manager and a secretary has been chosen.

Third period is an a capella choir consisting of both boys and girls. Junior manager is Doris Vernengo; senior manager, Bob Olson, and Frances Crossley, secretary.

McCarthy stated that it was hoped that robes will be obtained for the choir.

Sixth period is girls' glee club, called the "Vox Celeste Choir." Senior manager is Virginia Nestor; junior manager, Doris Sanguinetti, and secretary, Lillian Altman.

The two groups are now working on the "Christmas Pageant."

POT-LUCK DINNER

"We had a grand time!"—that's the report from members of Daly City Post and Auxiliary No. 410, American Legion, who held a pot-luck dinner at Legion hall, Saturday evening, October 28.

Approximately fifty attended the event. Music and dancing were enjoyed, as well as the delicious meal.

NEW BABIES

Three local couples are receiving congratulations upon the birth of children. Mr. and Mrs. Bosco M. Achille, Daly City, had a daughter, October 18; Mr. and Mrs. H. Edwards, Daly City, a son, October 20; Mr. and Mrs. Jack Orchid, 3206 San Jose avenue, a son, October 18.

WHIST PARTY

Vista Grande Circle No. 253, Foresters, will give a whist party, Tuesday evening, November 7, 8:30 p. m. at Linhares Social hall, 176 Los Banos avenue. The public is invited to attend.

Mrs. Mary Linhares will take charge of the card party.

Brownie Troop No. 9

Mrs. Betty Eschenauer, leader, has appointed the November committees for Brownie Troop No. 9. Mary Jane Schuler and Joanne Muller are refreshment hostesses; Juanita Viele and Francine Vaznaugh, clean-up monitors; Diane Valentino, Anita Ventura, and Kay Walrod, color guard.

Brownie Troop 9 has participated in supplying some material for the Girl Scout Week exhibit in McGraw's window.

The Hallowe'en party for the group, held Monday afternoon, October 30, proved very successful.

Every month, the U. S. Coast Guard Volunteer Port Security Force needs your help more than before. If you can spare 12 hours' time each week, contact headquarters at 630 Sansome street, or Boatswain Joe Mather at
